FREQUENTLY ASKED QUESTIONS

What is a hospitalist?

A hospitalist is an experienced physician who specializes in care of patients while they are in the hospital.

Who will be my doctor while I'm in the hospital?

One of Trinity's hospitalists will be your physician while in the hospital. He or she will be fully responsible for your care while you are hospitalized.

What about my regular doctor?

The hospitalist does not replace your physician, but becomes a partner in your healthcare while you are hospitalized.

Does my family meet my hospital doctor?

Once you are in the hospital, your hospitalist will meet with you and your family to explain your treatment plan.

When can I return to my regular doctor?

Once you leave the hospital, you will return to the care of your regular doctor. Your hospitalist will share your medical record with your doctor.

Why do I need a hospitalist?

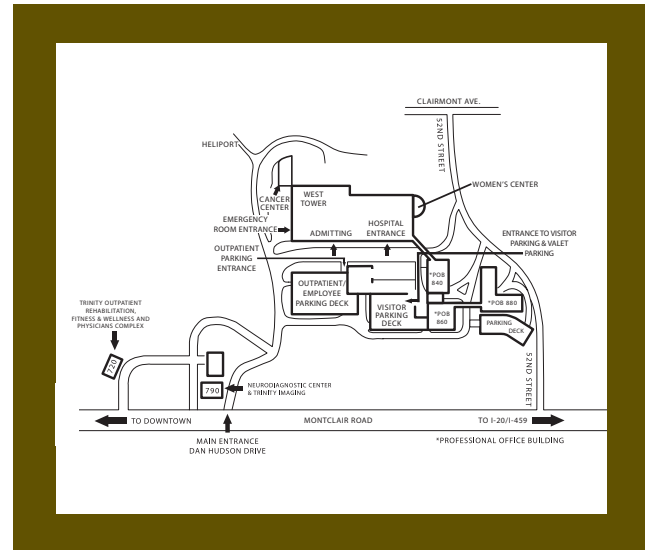

COMPREHENSIVE CARE: With a hospitalist, you will receive comprehensive medical care. Whatever your medical needs, you will receive care from a qualified team of health care professionals.

CARE THAT IS FOCUSED ON YOU: The hospitalist team works only with patients at Trinity. That means they can devote full attention to your care.

Any questions?

If you have any questions or concerns during your hospital stay, you may reach the hospitalist at 592-5235, between 8:30 am and 5:00 pm, Monday through Friday.
